UMESH KUMAR MEGHWAL

Full Stack Developer

Python Developer

Kota, Rajasthan

umeshmeghwa605@gmail.com | 8000509635

Career Objective

A passionate and dedicated Full Stack Developer with hands-on experience in building web applications. Seeking an opportunity to work and grow in a challenging development environment.

Professional Summary

I am a passionate Full Stack Developer with around 8 months of hands-on coding experience, specializing in backend development using Python. I have a strong foundation in building and designing dynamic and responsive websites. My expertise includes working with frameworks such as Flask, Django, and FastAPI, with Django being my preferred framework due to its versatility and robustness. I am committed to writing clean, efficient, and scalable code.
